

Need A Last-Minute Holiday Sales Lift?

Get your advertising message in market in *less than 14 days* with front-door marketing.

Thanksgiving and Christmas are almost here. Here's a way to maximize Q4 sales.

Fast, Effective, and Turnkey

With in-market delivery beginning only 10 to 14 days from receipt of final artwork, front-door marketing is a perfect advertising option to reach holiday shoppers quickly and effectively.

PowerDirect Marketing offers a fully turnkey door hanger advertising solution that can:

- Reach customers within local store trading areas and drive holiday retail traffic
- Push specific sale dates, such as Thanksgiving, Black Friday, and Christmas
- Promote in-store events, limited availability sales, and other holiday specials

The PowerDirect Advantage

When you partner with PowerDirect Marketing, you not only get the industry's leading front-door marketing company, you also get The PowerDirect Advantage.

- A comprehensive target market analysis using high quality data sets from Nielsen Claritas, the U.S. Census, and other 3rd party data enhancement vendors
- Detailed Census block group distribution plan to reach your best prospects and/or customers
- Our FDM Best Practices™ – a free assessment of your creative execution and consumer offer (using learning and results from over 1,500 campaigns) to help you maximize response
- Delivery by trained and supervised crews
- In-field and GPS auditing of your job (including walker level, handheld GPS tracking) to verify and ensure delivery
- The ability to track delivery progress of your campaign through completion, via PowerTrakker™, our online client portal
